Propelling Gujarat's Industries for an
Atmanirbhar Gujarat

GUJARAT INDUSTRIAL POLICY- 2020

Scheme for Capital Subsidy to Large Industries & Thrust Sector Resolution No:MIS-102020-327024-I dated 01/09/2020

- Gujarat is the most industrialized state in India. The State has witnessed unprecedented growth in terms of investments both FDI and Domestic. Earlier industrial policies have been very successful in achieving this and with new Industrial Policy 2020 the focus is to adopt sustainable and cleaner manufacturing and Innovative Industry 4.0 practice.
- It also lays objective to encourage entrepreneurship and strengthen MSMEs and facilitate cluster development.
- In this article we have tried to explain important provisions of the Industrial Policy 2020 and also compared wherever feasible with it earlier policy. The proposal have been segregated between Large Industries, MSMEs and Service Sector Enterprises.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Key Takeaways

- The state has identified 15 thrust sectors for industrial promotion. These sectors will get 2% more benefit than General sectors.
- Gujarat is the first state to undertake a bold decision to de-link incentives from SGST.
- There is no upper ceiling on the amount of incentive to be given to any particular unit
- Diversification has also been included under eligible activity apart from expansion, forward/backward integration for existing unit.
- Land is excluded from the eligible Fixed Capital Investment (FCI)
- The incentive in capital and interest subsidy scheme under Industrial Policy 2020 for MSME is based on Term Loan availed from Bank for eligible fixed capital investment. So, wherever MSME has undertaken investment without Term Loan from Bank can avail benefit under this scheme.
- As promised in press release Large Service Sector Enterprise is not included in this policy. So, government may come out with separate policy for them.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Definitions

(We are highlighting only changes as compares to old “Scheme of Incentive to Industry”

- ❑ The definition of Industrial Undertaking is same as earlier policies. All industrial undertaking are bifurcated between MSME or Large industrial undertaking. Concept of Mega or Ultra Mega Industrial undertaking is removed.
- ❑ Diversification : Earlier diversification was not considered eligible for Subsidy benefit. However, it is included in this policy subject to condition of at least 50% increased investment from its existing project of which 60% of investment to be made in plant and machineries.
- ❑ Land is no more a eligible capital expenditure for subsidy purpose. However, inadvertently it has been mentioned in definition of Gross Fixed Capital Investment (FCI).
- ❑ For the purpose of capacity utilisation, the industrial undertaking has been given option to exclude year 2020-21 due to COVID-19.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Thrust Sectors

- Thrust Sector means the sector which is most potential sector and needs additional support to empower them for global competitiveness.
- 15 Thrust Sectors have been conceptualized with a view on global investment trends, the need for strengthening the integrated value chains, exports, policies by government of India, NITI Aayog etc.
- The thrust sectors have been categorized in two major groups i.e Core sectors & Sunrise Sectors. Core sectors include areas where Gujarat already has a strong manufacturing base and has potential to accelerate further on a global scale. Sunrise Sectors are sectors which have a significant potential for technological advancement and can contribute to sustainable economic development.
- Thrust sectors will get 2% more benefit than General sectors.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Core Sectors

(Our comments are given in bracket)

1. Electrical machinery & equipment
2. Industrial Machinery & equipment
3. Auto & Auto Components
4. Ceramics
5. Technical Textiles (It also falls under scheme for assistance to strengthen specific sector in textile value chain which is operative from 4th September, 2018 to 31st December, 2023)
6. Agro & Food Processing (Earlier there was separate policy for food processing units)
7. Pharmaceuticals & Medical devices
8. Gems & Jewellery (It falls under ineligible activity in schemes for incentive to industries under the Gujarat industrial policy vide GR No. INC-102018-522243-I. But Now this sector can also enjoy industrial policy benefits.)
9. Chemicals (in designated area)

Scheme for Capital Subsidy to Large Industries & Thrust Sector Sunrise Sectors

1. Industry 4.0 manufacturing (Industry 4.0 manufacturing has not been defined separately in policy GR but it seems it talks about adoption of state-of-the-art technology, increased productivity and value addition across sectors.)
2. Electric Vehicle and its components
3. Waste management projects
4. Green Energy (Solar & Wind Equipment)
5. Eco-friendly compostable material (substitutes to traditional plastics) (This is step in right direction. The government earlier had special Scheme for financial assistance to Plastic industry by way of Interest Subsidy and VAT incentive From 01/01/2015 to 31/12/2019 extended till 31st December, 2020. So, with focus on substitutes to traditional plastic, special policy for plastic industry may not come now.
6. 100% export oriented units, irrespective of sector (It falls under ineligible activity in scheme for Incentive to Industries under the Gujarat industrial policy vide GR No.INC- 102018-522243-I. But now it can also enjoy industrial Policy benefits)

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Eligibility

- ❑ A new industrial unit or an existing industrial unit that undertakes expansion or diversification and which commences commercial production between 07.08.2020 to 06.08.2025 will be eligible to apply under the scheme.
- ❑ An industrial undertaking that has availed any incentive for same assets under any scheme of the state government, or any agency of the state government, shall not be eligible for incentives under this scheme.
- ❑ The quantum of assistance is based on category –wise classification of talukas which will be notified later on.
- ❑ However, industrial undertaking located within Municipal corporation limits of Ahmedabad, Bhavnagar, Gandhinagar, Jamnagar, Junagadh, Rajkot, Surat and Vadodara will not be eligible for capital subsidy.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Investment period for consideration of eligible FCI

- ❑ In order to be eligible for incentive under this resolution, the industrial unit must have commenced commercial production during the operative period of the scheme.
- ❑ The consideration of investment period for eligible Fixed Capital Investment (FCI) will be, for the assets acquired and paid from 07/08/2020 and during the extended time period as specified below:

MSME Project	12 months from DOCP
Gross Capital Investment upto 1,000 crore	18 months from DOCP
Gross Capital Investment upto 5,000 crore	24 months from DOCP
Gross Capital Investment upto 10,000 crore	30 months from DOCP
Gross Capital Investment above 10,000 crore	36 months from DOCP

DOCP means Date of Commercial Production

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Quantum of Incentive

TALUKA CATEGORY	GENERAL SECTORS	THRUST SECTORS (15)
Category 1	10% of eligible FCI (excluding land)	12% of eligible FCI (excluding land)
Category 2	8% of eligible FCI (excluding land)	10% of eligible FCI (excluding land)
Category 3	4% of eligible FCI (excluding land)	6% of eligible FCI (excluding land)

Fixed Capital Investment (FCI) has been defined to include investment made in Building, New Plant and Machineries, Utilities, tools and equipments and other assets required to manufacture the end product but exclude land, Working capital, goodwill royalty, preliminary and preoperative expenses, power generation except for captive use and interest capitalized.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Conditions for Incentive

- ❑ The eligible capital subsidy will be given over a period of 10 years from the date of commercial production subject to annual ceiling of INR 40 crore.
- ❑ If the eligible cash subsidy could not be disbursed within period of 10 years due to upper ceiling of INR 40 crore per annum, for such unit the eligible period of 10 years will be extended upto additional 10 years with the condition that annual ceiling will remain INR 40 crore per annum.
- ❑ If the eligible cash subsidy is not disbursable within period of 20 years due to upper ceiling of INR 40 crore per annum, the total entitlement of cash subsidy will be disbursed in equal installments of 20 years without any upper ceiling
- ❑ The industrial undertaking needs to achieve minimum capacity utilisation of 50% after completion of three years from last date of investment, otherwise the benefit will be reduced to 50% of eligible amount in that year.

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Conditions for Incentive

- If the average capacity utilisation remains less than 50% for three consecutive years the incentive amount will be discontinued till the average production reaches 50% of installed capacity.
- The SME enterprises are also entitled to opt for this scheme subject to condition that it will not be eligible for capital and interest subsidy scheme under Industrial Policy 2020.
- The incentive in capital and interest subsidy scheme under Industrial Policy 2020 for MSME is based on Term Loan availed from Bank for eligible fixed capital investment. So, wherever MSME has undertaken investment without Term Loan from Bank can avail benefit under this scheme.
- Apart from thrust sector, the government has not given list of ineligible industries in final GR like “Scheme of Incentive to Industry” Policy. So, at present it can be assumed that the benefit of this policy can be availed by any industry.

Scheme for Capital Subsidy to Large Industries & Thrust Sector Procedure for application

There are three steps in availing benefit under this scheme

STEP	TIME LIMIT
Application for Registration	To be made within a period of one year from the date of commercial production
Application for Provisional Eligibility Certificate	To be made within a period of one year from the date of commercial production or from the date of issuance of the registration certificate whichever is later
Application for Final Eligibility Certificate	To be made within a period of one year from the last date of eligible investment period if project is not completed. If project is completed within eligible investment period than within one year from the date of commercial production

Scheme for Capital Subsidy to Large Industries & Thrust Sector

Other Conditions

- ❑ An industrial undertaking shall be required to employ person domiciled in Gujarat to the extent of at least 85% of its total number of employees out of which upto 60% to be employed in managerial and supervisory capacity.
- ❑ An investment made by existing industrial undertaking for renovation, modernisation, rehabilitation, or rationalisation will not be eligible for incentive under this resolution.
- ❑ The industrial undertaking that has availed incentive under this scheme shall be required to remain in production continuously till the expiry of the eligible period of incentive.
- ❑ If the production is discontinued due to reasons beyond the control of the management, the sanctioning authority may condone the period for which the production is discontinued.

GUJARAT INDUSTRIAL POLICY- 2020

Scheme for assistance to Micro, Small and Medium Enterprises (MSME)

Resolution No. SSI/102020/332278/Ch dated 01/09/2020

- ❑ The operative period of the scheme shall be from 07/08/2020 to 06/08/2025
- ❑ The Industrial Policy 2020 envisions Gujarat as a global business destination for next-generation sustainable manufacturing and service industry. There are over 100s of MSMEs multiproduct activity clusters spread across the state. Recognizing the significant contribution of MSMEs to economy and employment generation, the Industrial Policy 2020 incorporates specific interventions for development of MSMEs.
- ❑ In this article we have tried to explain important provisions for the Industrial Policy 2020 and also compared ,wherever feasible, it with earlier policy.

Scheme for assistance to Micro, Small and Medium Enterprises (MSME)

Key Takeaways

- Incentives to MSMEs will be provided in terms of Capital and Interest Subsidy on term loans based on the category of talukas which will be notified later. However, unit within Municipal corporation are kept under Taluka category III.
- The interest subsidy will be so given that in any case, the unit will have to bear minimum 2% of total interest levied on term loan
- Land is excluded from the definition of Fixed Capital Investment (FCI)
- Interest subsidy is also available for specified New Sector enterprise for Term Loan availed for New Machinery, equipments and furniture and fixtures. Amount spent towards Land and Building is not an eligible expenditure for service sector enterprise.
- The enterprise will be eligible only for one activity out of forward/backward integration, diversification and expansion during the policy period. In earlier policy expansion/modernisation/diversification each was allowed once.
- In case of enterprise which has obtained first disbursement of loan before 07/08/2020 may opt for new scheme but only Term Loan disbursement made during the policy period will be eligible. Such Unit shall be considered pipeline enterprise and shall be considered eligible for incentive under previous scheme.

Scheme for assistance to Micro, Small and Medium Enterprises (MSME)

MSME Definition

MSME definition will be in alignment with the Government of India definition so that a large number of units may take advantages of the provisions under MSME policies.

Revised Classification applicable w.e.f 1st July 2020
